Dear Colleagues & Friends

Further to the article in the Eurythmy Association Autumn Newsletter we are pleased to send out the finalised programme and booking form for the Joint Eurythmy Association / Eurythmy Therapy Association Conference on: "Colour and its manifestation in Eurythmy". This will be held at the Glasshouse College, Stourbridge from Friday 25th to Sunday 27th January 2019.

Please note that bookings must be received by Friday 18th January and any accommodation requests by the previous Friday (11th January).

You are reminded of the following:

- 1) The Annual General Meetings of both Associations will be held during the Conference. All participants are welcome to attend either AGM but only members in good standing of the Association in question may participate in affirming resolutions or appointing new Council Members.
- 2) Both Councils require new members - if you are willing to consider standing please email the relevant council at the details below. For further details please see the article in the EA Autumn Newsletter.
- 3) If you have a business point to raise at either AGM - please inform the relevant council by Friday 11th January.

There will be two open discussion sessions where we can share research, concerns, inspirations with each other. These sessions will be chaired so that all issues can be addressed. If you would like to share something please let us know in advance by Friday 18th January so that time can be allocated. Please note the Councils will use their best endeavours to ensure that your issue is shared but we reserve the right to manage the time in the interests of everyone.

We will have a shared artistic and social evening on Saturday 26th. Eurythmy West Midlands have kindly agreed to share some of their current performing work. We welcome and encourage other eurythmy and artistic contributions - if you have something you would like to offer please contact us as soon as possible. With all best wishes for Advent and your work.
